

NOTICE TO ALL MEMBERS (EXCLUDING STUDENT MEMBERS)

As approved at the 2008 Annual General Meeting, we will be posting the name of all members on the public area of our website (excluding students). Please note that only names will be posted, contact information will not be provided.

This posting will allow the public to confirm that any person using the professional designation "APP" is a member in good standing of the Alberta Association of Professional Paralegals. Non-members are NOT authorized to use the "APP" professional designation. In this way, we can ensure that the professional designation is appropriately used. If you become aware of any person using the designation who is not a member, please report the use of this immediately to president@alberta-paralegal.com.

So that the Association is aware of your preference regarding the appearance of your name on our list of members, you must provide a copy of this Notice with your renewal or application documents. Please be aware that we do not have the volunteer base to allow us to respond to general public enquiries confirming whether or not a person has membership.

By signing this Notice I give my approval to the Alberta Association of Professional Paralegals to post my name on the web site:
